1. OSA's increase in the FY 1970 Budget of ██████████ arises primarily in the communications area for ██████████

██████████ While there may be some changes in the communications equipment requirements for these projects, it is too early to ascertain what these changes and cost would be.

2. In addition, while OSA can not identify any cost reductions for FY 1970 that could be reported at this time, we will continue to scrutinize internal management practices carefully and report savings where ██████████
